**ARTICLE 4 PLACEMENT**

Fire Clearance .....	89420
Health Related Services.....	89475

## ARTICLE 4 PLACEMENT

89420 FIRE CLEARANCE

89420

## POLICY

Foster family homes with a capacity of six (6) or fewer ambulatory children are exempt from the state fire safety standards in Health and Safety (HS) Code section 13143(b). This statute does not exempt foster family homes serving more than six (6) children. Those homes, regardless of ambulatory status, must have an appropriate fire clearance.

89475 HEALTH RELATED SERVICES

89475

(b) POLICY

Online training for cardiopulmonary resuscitation (CPR) and first aid is permitted. Currently a hands-on practice component is not required; however, it is recommended that any online training that has a skills competency component, e.g. First Aid and CPR, include a hands-on practice component. The hands-on practice component would increase the confidence level of the participant and consequently augment staff's ability to perform their job duties. The hands-on practice component should be provided and overseen by an on-site instructor and address skills appropriate to the children served.
