**Non-Medical Out-of-Home Care (NMOHC)
Payment Standard
Effective November 1, 2009**

Supplemental Security Income (SSI)	\$674.00
State Supplementary Payment (SSP)	<u>412.00</u>
Total NMOHC Payment Standard	<u>\$1086.00*</u>

The NMOHC Payment Standard includes the following components:

Room and Board	\$466.00
Care and Supervision (maximum)	<u>\$495.00</u>
Amount Payable for Basic Services	<u>\$961.00¹</u>
Personal and Incidental Needs Allowance (Must be provided to the recipient) (minimum)	<u>\$125.00</u>
	<u>\$1086.00</u>

*Amounts are double for SSI/SSP couples.

¹ NOTE: Recipients who have income in addition to their SSI/SSP check (for example, a pension, Social Security retirement, or disability benefits) can be charged the **\$961.00** amount for basic services plus an additional \$20. Because federal rules do not count the first \$20 of a recipient's income against his/her SSI/SSP grant, an SSI/SSP recipient with other income has an extra \$20 that people who receive only an SSI/SSP check do not have. Neither federal nor state law restricts the recipient in how this additional \$20 amount is spent. Thus, if the recipient agrees in the admission agreement to pay the additional \$20 for basic services, the facility may charge the additional amount.
