Dear Ms. Nomberg:

SUBJECT: OFFICIAL PRE-CERTIFICATION NOTICE

This letter is to inform you that La Familia Inc. is pre-certified with the California Department of Social Services (CDSS), Out-of-State Certification Unit (OSCU). Pre-certification was effective August 2, 2005. The pre-certification was contingent upon the following:

- Completion of the pre-certification visit by the county worker to your facility.
- The OSCU pre-certification visit to your facility and plan of correction which was received on August 1, 2005.
- Approval of the ICPC packages from both California and New Mexico.
- The placement of the California youth.

As of August 2, 2005, La Familia is hereby eligible to receive California placements. All pre-certification conditions have been satisfactorily completed. Full certification will be granted after your application has been received and approved.

During the pre-certification phase of certification, California licensing standards require that all serious incidents be reported to the Out-of-State Placement Policy Unit for each child in care, regardless of whether he or she is a California placement.

Please contact Mr. Olaniyan Akyeem at (916) 263-4724 or myself at (916) 263-4743 if you have any questions.

Sincerely,

ROBERT PATE
Manager
